

Irrigation Contractor Review Course:

Course: Irrigation Contractor
 (Formerly Certified Irrigation Contractor) 14 CEUs
 IA National (Class Size limited to 50 Students)

Designed to refresh the skills of the irrigation contractor, this class also serves as a good review for the IA CIC exam and the NJ State Exam.

During this two-day course, students will learn soil-plant-water relationships, hydraulics, pumps, job safety requirements, national codes that affect the industry, scheduling, water conservation, and details about system uniformity and efficiency.

This course includes Certified Irrigation Contractor hand-outs, morning coffee, afternoon snack, and a meticulous overview in a small classroom environment. Upon completion of course, attendees will receive a certificate verifying the number of achieved CEUs.

The two-day course:

IA Members	\$295.00
Non-Members	\$310.00
